

Surpassing Excellence Form

Subject: Call for Nominations: 2025 "Surpassing Excellence" Award

Hello!

We are excited to announce that we have closed all nominations for 2024 "**Surpassing Excellence**" Award and will reopen nominations November 2, leading into the 2025 fiscal year! This prestigious award celebrates individuals who have demonstrated exceptional achievements and have made significant contributions to their communities or fields.

If you know someone who embodies excellence and leadership, we invite you to submit a nomination on their behalf. We are looking for candidates who are not just achievers but also inspire and elevate those around them. This is your opportunity to highlight someone whose impact deserves recognition and celebration.

How to Nominate: To nominate, simply submit a brief statement outlining the nominee's accomplishments or explaining why you believe this individual stands out as a beacon of success and virtue. Your insights into their contributions will be invaluable to our selection process.

Make it Engaging: Feel free to include any compelling anecdotes or personal stories that showcase the nominee's character and achievements. We appreciate vivid portrayals that bring their stories to life, making the process as engaging and dynamic as the individuals we aim to honor.

Next Steps: Should your nominee be accepted for consideration, we will contact you via email to gather more detailed information and possibly invite you to participate as a roast presenter during the award ceremony. This role will allow you to share more about the nominee in a way that honors their accomplishments and personality in front of an audience of their peers and fellow leaders.

We are looking forward to your nominations and to celebrating the outstanding individuals who are making a difference. Please submit your nominations by April 2, 2025.

Thank you for helping us recognize and honor excellence in our community.

Regards,
Nomination Team
